

Job Description: Registered Nurse (Part-time)

Qualifications: Registered Nurse Licensure in Massachusetts

Terms of Employment: Contract Position: 11.5 hours/week

---

This is an exciting opportunity for a part-time Registered Nurse to join a dynamic team and the evolution of a model with young mothers at very high risk that do not typically succeed in traditional youth development programs.

Related Duties:

- Work closely with program director and youth workers;
- Perform Comprehensive Health Assessments on participants at prescribed intervals as well as child-development milestones assessments on participant's children;
- Provide referrals to appropriate services as needed;
- Conduct health education classes for young mothers ;
- Complete all time sensitive documentation in an organized and efficient manner;
- Attend all required meetings and trainings
- Other related duties as needed.

Bi-lingual (Spanish/English) Bi-Cultural is a plus but not required. High organization skills a must!
