COMMUNITY VIOLENCE INTERVENTION

"The [Rewire] CBT training was very pivotal in my personal life. Giving me the tools to manage stressful emotions during a difficult time... Violence interruption requires self-care and healing consistently or we will burn out."

—Violence Interrupter, Washington DC

EVERYTOWN FOR GUN SAFETY

- Building the capacity of smaller CVI organizations.
- Providing cohort-based technical assistance to design and target behavior change programming for young adults most at risk of gun violence in their communities.

PEACE FOR DC

- Providing hands-on Rewire CBT training to community violence intervention workers during Peace for DC's Peace Academy.
- Improving the professional and personal development of DC's community violence intervention workers.

JUVENILE AND YOUNG ADULT JUSTICE

"This is the first training that I can recall where case managers have been given real skills to utilize every day in work and in our personal lives."

—Case Manager, Maryland Department of Juvenile Services

MARYLAND DEPARTMENT OF JUVENILE SERVICES

- Training and coaching 300+ community supervision staff in Rewire CBT.
- Supporting the initial implementation to bring young adult brain science, trauma and behavior change into the overall design and delivery of services for youth.

SAN FRANCISCO

- Equipping juvenile probation officers, residential counselors, and residential-based credible messengers with Rewire CBT skills.
- Embedding Rewire CBT within operational practices.
- Empowering staff to support young people's positive behavior change.

LAW ENFORCEMENT

"Absolutely [I would recommend the training]. I think a lot of people need this. It could save their careers, their jobs, going to jail, [or] someone's life."

—Sergeant, Baltimore Police Department

REWIRE⁴ by Roca

ADAPTED FROM REWIRE CBT, REWIRE4 WAS CO-DESIGNED BY POLICE FOR POLICE, FOCUSING ON BRAIN SCIENCE AND 4 SIMPLE CBT SKILLS.

BALTIMORE POLICE DEPARTMENT

- The US Department of Justice approved Rewire4 for training under the Baltimore Police Department Consent Decree.
- Within the next year, every sworn officer will have received Rewire4 training, with 8 officers trained as Rewire4 Lead Facilitators.
